INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Current law, Revenue and Taxation Code section 6018, provides that licensed optometrists, physicians and surgeons, pharmacists, or registered dispensing opticians are the consumer, rather than retailers, of ophthalmic materials they furnish in the performance of their professional services in treating eye conditions, as defined.

Regulation Eyeglasses and Other Ophthalmic Materials, Eyeglasses and Other Ophthalmic Materials, is proposed to be amended to interpret, implement and make specific Revenue and Taxation Code section 6018. Amendments are proposed to subdivisions (a)(4) and (b)(3) to clarify when physicians and surgeons, optometrists, and dispensing opticians make taxable retail sales of clip-on sunglasses; and to subdivisions (a), (b) and (d) to correct typographical errors.

COST TO LOCAL AGENCIES AND SCHOOL DISTRICTS

The State Board of Equalization has determined that the proposed amendments do not impose a mandate on local agencies or school districts. Further, the Board has determined that the amendments will result in no direct or indirect cost or savings to any State agency, any costs to local agencies or school districts that are required to be reimbursed under Part 7 (commencing with section 17500) of Division 4 of Title 2 of the Government Code or other non-discretionary costs or savings imposed on local agencies, or cost or savings in federal funding to the State of California.

EFFECT ON BUSINESS

Pursuant to Government Code section 11346.5(a)(8), the Board of Equalization makes an initial determination that the adoption of the amendments to Regulation 1592 will have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The adoption of the proposed amendments to this regulation will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses nor create or expand business in the State of California.

The proposed regulations may affect small business.

COST IMPACT ON PRIVATE PERSON OR BUSINESSES

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

SIGNIFICANT EFFECT ON HOUSING COSTS
